Multi-Point Stereo Bluetooth® v4.0 Gear Buds

Designed for
Active Lifestyle

Bluetooth®

Ideal for an active lifestyle, Lite Bluetooth® v 4.0 Headset is totally wireless and tangle-free. Lite has a built-in aptX® audio coding technology chip that delivers rich audio with CD playback quality that is rare in such a compact and versatile package. The fit wireless headphones are lightweight and designed to stay snugly in place while you move. The multi-point pairing functionality allows you to pair Lite to two devices simultaneously and its ultra-long battery life ensures you will not run out of power while listening to your favorite tunes. With its incredibly small size and feather light weight, Lite is perfect for listening to music or answering phone calls on the move.
